BAR HILL SCOUT GROUP

To all parents of Scouts, Cubs and Beavers.
The Bar Hill Scout Group will be holding their Annual General Meeting on Thursday 24th May 1990 at 7.15 p.m. in the Scout Hut. The meeting will be followed by a Rounders Match and Hot Dogs.

Please try to come along. YOUR SUPPORT IS NEEDED

---

BAR HILL SCOUTS

To anyone who has phoned me, or stopped me to ask if their son is anywhere near starting cubs. As you may know we have two cub packs in the village at present, one pack has 24 boys, while the other pack is running with quite a few empty spaces waiting to be filled, but however will be unable to take in any more boys due to lack of uniformed leaders. Help is urgently needed NOW. All you have to do is give up about one hour a week preparation time and 1½ to 2 hours on a cub or scout night. That still leaves you with 165 hours a week to yourself. Give it a go you may even find you enjoy it.

**********

Mary and Norman (Akela and Baloo) have now (retired) from Cubs with well over 20 years service to the movement between them, so on behalf of everyone who was fortunate to have their boy(s) spend time in their care a big THANK YOU for the fun, care, love and time you have spent looking after our boys.

BAR HILL WOMEN'S INSTITUTE

At our monthly meeting on Tuesday 8th of May we will be discussing the Annual Resolutions which will be considered at the National Meeting of the W.I. at the Royal Albert Hall. The competition is for the prettiest scarf and the sales table will carry nearly new items (members are requested to price items and label them appropriately beforehand).

The Resolutions meeting is always a lively think-tank session much enjoyed by members. Please remember your cup and saucer and start putting items by for the Nearly New!

==========

BAR HILL LIBRARY

The Library has started a village diary in which clubs and organisations are welcome to enter forthcoming events. We hope this will provide publicity and reduce the possibility of events occurring simultaneously.

We are also able to offer space on our notice boards for posters publicising local events.

Please visit the library if you require further details.

The Reserve Police Force, better known as the "Specials" have been formed for over two hundred years.

They are trained in most aspects of police work and are there to cover any emergency and to back up the regular police force, doing anything from foot patrol to plain clothes observations, from station duties to patrol car work.

The "Specials" are a voluntary organisation, the only remuneration received are out of pocket expenses at the end of each month. A full uniform is provided and strict on-going training is given.

We need members in your area. If you are interested, write to SO Gyford, The Special Constabulary, Parkside Police Station, Cambridge or telephone Cambridge 358966 any Tuesday night between 7.30 and 9.30pm and ask for the Special Constabulary Office. We only need a few hours a month commitment.

What is NWR you may ask?

Its a twice monthly get-together of Ladies that like to find out about a wide range of interesting subject matter. Women who do not always want to talk about domestic topics. The meetings offer you a chance to get away from those familiar four walls, meet new friends with a vast variety of interests and opinions. We offer the chance to do some research on a particular subject, visit interesting places, listen to a wide variety of guest speakers. Each meeting we have a particular subject to discuss, you can either take a back seat, or be in the forefront and help with research, take part in the lively discussion or just listen and wait until you can, with your specialist knowledge, help us. Anyone is welcome to attend, you all have something to give us.

We are a motley crew covering a wide range. We have young mums at home, retired ladies, working mums, single ladies, married, divorced and separated ladies nobody minds. We meet in various homes around the village, often with a very informal atmosphere.

Come along and give us a try.

What have you got to lose, you might even enjoy it!!

Tuesday 8th May at 7 Pheasant Rise - Open Meeting. Lots of ideas needed for next Winters programme. Food courtesy of Flying Pizzas.

Monday 21st May at 18 Otter Close - Debate. "If God did not exist, man would need to invent him" Well did we invent him? Or can his existence be proved? Elizabeth Burns-Wainwright will open the debate.

TOY LIBRARY

A big thank you to everyone who came forward with offers of help after our urgent appeal in last months Bar Hill News. I am pleased to announce that the Toy Library is able to remain open for at least another year.

Our AGM was held during April and a new committee formed. I have taken over as chairman from Pauline Goodwin and on behalf of the members of Toy Library I should like to thank Pauline and her committee for all their hard work over the past year.

As reported last month the Toy Library has a healthy balance at present and therefore over the forthcoming months we hope to purchase a number of new toys. Why don't you come along, see what present stock we have(approx 100 toys). Give us your suggestions as to which new toys you would like us to purchase. Don't forget it is your Toy Library.

We meet fortnightly in the school lounge (look for the signs) and our next dates are as follows:

11th May 25th May 1st June

We look forward to seeing you.

THE CAMTAD MOBILE WILL BE VISITING Bar Hill Health Centre ON Tuesday 15th May 1990 from 10.00 a.m. - 3.00 p.m.

WHAT IS CAMTAD?

CAMTAD is the Campaign for Tackling Acquired Deafness. It was set up in Cambridge in 1978 by Dorothy Parry, and last year, in its tenth anniversary year it was presented with a magnificent new MOBILE UNIT. This Unit, which is manned by experienced volunteers, offers a free comprehensive service to all hearing aid users, and those worried about their hearing.

Whatever the problem, however great or small, CAMTAD has the experience and expertise to help, and the information and contacts if they can't. From advice on the best way to put a hearing aid in, and what the controls are for - to how best to hear TV and the telephone.

The CAMTAD MOBILE is equipped with working demonstration telephones, a loop system for TV, vibrating clock and fire alarms, personal communication aids etc., and leaflets and information on all the services and facilities for the deafened that are available in Cambridgeshire.

Are you worried about your hearing? Perhaps we can help.

## A RESPONSE TO A LETTER IN LAST MONTHS B.H.N.

Dear Editor

I know you will appreciate my wish to comment on the letter in your April issue regarding the school starting age.

My first point is that I agree wholeheartedly that parents are the best people to judge whether their child is ready to begin full time education and we at school are pledged to respect that decision. It is important to state this as the pressure to admit children to the school roll is now a financial one, since each child adds to our LMF budget.

However, I would like to focus on the nature of the provision which is made for four year old children. This authority has an enlightened approach to this question and at Bar Hill School we are determined to provide the right environment for the Reception child - one that is "emotionally and intellectually" appropriate.

My own plea to parents is this: in order to make the right decision you need all the facts. Do please visit the school before making your decision.

Yours sincerely

Roger Kilsby

## A LETTER TO THE EDITOR

PARKING OTTER CLOSE

I was under the impression that every house in Otter Close and Otter Gardens had a garage. I was also under the impression that a garage was designed to house a car. I an now wondering whether I have got this all wrong.

Parking down Otter Close has now become so bad that cars and vans are often parked opposite each other. The grassed areas at the bottom of Otter Close are now used as extra parking spaces - the grass has given way to deep ruts where cars are parked.

It is not the fact that endless parking of cars spoils the look of the street nor is it the fact that driving down the road is more like a slalom course each day that annoys me the most - what prompted me to write to the BHN struck me as I edged carefully between two cars one night - how would an emergency vehicle ever get down the road if there was a fire or accident? My car can only just get down the road. I am sure a fire engine would find it impossible. Vital minutes, or worse still a life, could be lost because of peoples lack of consideration for others.

As one who always puts their car away in a garage I am fed up having to perform a series of manoeuvres just to get my car out of the garage each morning.

Is it just laziness that stops others from parking their vehicles in their garage? It is after all a residential area, if people insist on bringing vans home from work why can they not park elsewhere (ie Industrial Estate car park or large open space behind Otter Close).

Perhaps those culprits would give just a minutes consideration to what I have said, after all a fire or other emergency is not that unlikely.

Yours faithfully

A resident of Otter Close

## PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday, 19th April, 1990, at 7.30 p.m. in The Old Farmhouse.

### Litter at Rear of Domino Building

As there had been no response to Parish Council requests to tidy the area behind Domino and the Little Chef, the Clerk was asked to advise Kier Construction that the Parish Council would be writing to the Environmental Health Officer and Anglian Water Authority reporting on the state of this area of land.

### Wilcon Homes Ltd. - Planning Application Amendments

The Parish Council commented that they would not wish to see any amendments made to the original planning consent for seven houses being constructed at the front of The Brambles.

### Environment Week

Letters are being sent to all industrial companies on the Village asking them to tidy-up their areas during week 28 April - 7 May.

### Bar Hill/Dry Drayton Footpath

The Clerk was requested to contact the County Council to suggest that the footpath should be improved to an acceptable state.

### Policing of Village

The Clerk had received a reply to her letter asking for better policing of Bar Hill, especially in the light of the recent wave of vandalism. The Superintendent had advised that all reported vandalism receives a response from the police - and so residents are requested to telephone the police on all occasions so that the present vandalism can be investigated. The letter also suggested that a 'Neighbourhood Watch' scheme be implemented in the Village.

### Skateboard Ramp

The Clerk had been requested to contact the relevant Officer at South Cambs. District Council and obtain a report on the safety of the Ramp. The Clerk was awaiting this report.

Mrs. C. McDermott,
Clerk to the Parish Council,
The Old Farmhouse,
Bar Hill.

Tel: C.H. 780456
Clerk available weekday mornings.

### STREET LIGHTING

To report street lights which are not working, please take the number of the light and telephone C.317723 (County Council) to advise them.
